Footwear Style Guide

Girls Sixth Form

Unlike younger students, Sixth Form students may also wear shoes with minimal metal accessories which are part of the shoe design and not a fashion statement. Shoes with other distinctive fashion features, moccasins, training shoes and boots are not permitted. Stilettos and sharp-heeled shoes are not worn for health and safety reasons, and heels must be kept to less than 4 cm (measured where the heel meets the instep). All shoes must provide substantial foot support, therefore thin-soled ballet pumps are not allowed.

Footwear may be purchased from any retailer but must be plain black (including the sole), polishable, with minimal pattern.

The designs shown here, along with those shown on the Yr7-11 Girls' style guide, are all available locally and are all approved for use at Trinity Academy.

Trinity Academy would like to thank the following retailers for their assistance in compiling this guide:

Academy Schoolwear, Brantano, Clarks, Deichmann, Marks and Spencer, Schuh, Shoe Express, Start Fitness, Wynsors
