Safeguarding at Trinity Academy 2022

What is Safeguarding?

It's about keeping the students and staff in the school safe.

Safeguarding is……

- Protecting children from harm health, or poor development;
- Ensuring children grow up in a safe environment
- Taking action to enable all children to have the best outcomes.

How do we Safeguard you at Trinity?

- Staff training
- Health and Safety checks and audits
- Fire and lockdown practices
- Student movement
- Social time segregation
- Student training
- Pastoral care

Staff Training

- All staff must complete an assessment in order to prove they are safe enough to work with children.
- All staff at Trinity have training at the start of every academic year.
- All staff are fully aware of how to keep you safe during the school day!

Health and Safety checks and audits

- Every classroom is checked to ensure it is safe to use
- All electrical equipment also
- PE facilities are checked before each lesson by PE staff
- Toilets are checked by building services 3 times every day
- The building services team is always on duty to help keep the school site safe

Fire and Lockdown practices

- We have upto 3 practices each year to ensure that if a real emergency was to occur you would be safe.
- What did Mr Walton teach you today regarding the fire practice and a lockdown?

Student movement

- How do we move around the academy?
- Why do staff stand on the corridors at lesson change over?
- What is the protocol for break and lunchtimes?

Social time segregation

- What does this mean?
- Where do you go at social times?
- Why do staff wear hi-visibility vests?
- Why do we do this at Trinity?

Student Training
