Important notice regarding booking and paying for trips

We are increasingly finding that parents/carers are booking a place for their child to attend a trip but then failing to make any payment. As a result, this is preventing other parents/carers from booking a place and their children are missing out on a great experience/opportunity.

From this academic year, future payments are via Evolve. For all trips, there will be a window of 10 minutes from the time of booking to make payment for the trip. If payment is not completed within this time period the booking will automatically be cancelled

In the event of your child being unable to go on a trip/visit for any reason, a refund will only be made if a replacement can be found from the waiting list (see trips and visits Terms and Conditions for details) ; however, **if a replacement cannot be found the Academy will not be able to make a refund.** Therefore, before committing to a trip/visit by booking and making a payment, please be certain that your child wishes to attend the trip/visit.

Thank you, we appreciate your support

Please see letter below from the Local Authority

Good morning,

You may be aware that payments were made towards food for eligible children from the Household Support Fund, and these covered the Easter, May and summer periods at £15wk per eligible child.

As the funding is limited, we cannot send any more payments for food so parents/carers will not receive a payment the forthcoming October, December and February school breaks.

However, we will be making a payment towards energy bills around the end of November to those who still meet the qualifying conditions for a payment from the fund.

Those who have previously had a payment for food do not need to apply for the energy payment, or contact us about it. We will check if they are eligible and if they are, we will pay them automatically based on the details we already hold.

Parents/carers have been notified about the above separately.

Please check our website for the most up to date information about the fund including the qualifying conditions for an award Household Support Fund - City of Doncaster Council
