Breakfast Club

Breakfast is one of the most important meals of the day, at Trinity Academy we want all students to arrive ready and prepared for learning. We have a free breakfast club that runs every morning in the Harvester restaurant from 8am to the start of the school day, at 8.25am. At present we offer free cereal bars and cereals to all students.

It is a scientific fact that eating breakfast helps with academic studies, so why not start the day with some free breakfast.

IMPORTANT

Please read the notice to familiarize yourself with the process for booking a place on a trip and understanding how you know that a place is confirmed:

Important notice regarding booking and paying for trips

We are increasingly finding that parents/carers are booking a place for their child to attend a trip but then failing to make any payment. As a result, this is preventing other parents/carers from booking a place and their children are missing out on a great experience/opportunity.

From this academic year, future payments are via Evolve. At the time and date stated on the trip letter, you will receive an email containing a link to book a place. After completing the booking form, you will be brought to the payment stage. There will be a window of 10 minutes from the time of booking to make payment for the trip. If payment is not completed within this time period the booking will automatically be cancelled. If you do not secure a place on the trip, you will be invited to add your child to the waiting list (payment **will not** be taken at this point). Your place is confirmed if payment is received successfully, you **will not** receive any separate messages from school to confirm the booking.

In the event of your child being unable to go on a trip/visit for any reason, a refund will only be made if a replacement can be found from the waiting list (see trips and visits Terms and Conditions for details) ; however, **if a replacement cannot be found the Academy will not be able to make a refund**. Therefore, before committing to a trip/visit by booking and making a payment, please be certain that your child wishes to attend the trip/visit.

Thank you, we appreciate your support

Fact: Flu and colds are very different, flu makes you feel very poorly and can carry the risk of serious and life threatening complications.

Myth: The vaccination gives you flu.

Fact: The vaccine does not cause flu, the viruses in it have been weakened to prevent this from happening.

Myth: Vaccines are full of dangerous chemicals and ingredients.

Fact: The ingredients in the flu vaccine work together to make the vaccine effective. The vaccines are carefully and thoroughly tested and are safe.

Fact: Healthy people can develop severe complications as a result of flu.

Myth: Flu is only caught from coughs and sneezes.
