IMPORTANT
Please read the notice to familiarize yourself with the process for booking a place on a trip and understanding how you know that a place is confirmed:

Important notice regarding booking and paying for trips

We are increasingly finding that parents/carers are booking a place for their child to attend a trip but then failing to make any payment. As a result, this is preventing other parents/carers from booking a place and their children are missing out on a great experience/opportunity.

From this academic year, future payments are via Evolve. At the time and date stated on the trip letter, you will receive an email containing a link to book a place. After completing the booking form, you will be brought to the payment stage. There will be a window of 10 minutes from the time of booking to make payment for the trip. If payment is not completed within this time period the booking will automatically be cancelled. If you do not secure a place on the trip, you will be invited to add your child to the waiting list (payment **will not** be taken at this point). Your place is confirmed if payment is received successfully, you **will not** receive any separate messages from school to confirm the booking.

In the event of your child being unable to go on a trip/visit for any reason, a refund will only be made if a replacement can be found from the waiting list (see trips and visits Terms and Conditions for details) ; however, **if a replacement cannot be found the Academy will not be able to make a refund**. Therefore, before committing to a trip/visit by booking and making a payment, please be certain that your child wishes to attend the trip/visit.

Thank you, we appreciate your support
