Dear parents and carers

I hope this letter finds you well. As we approach the much-anticipated event in the school Prom (Friday 5th July 2024), I would like to underscore the importance of excellent attendance which will guarantee your child's place at the Prom.

The Prom serves as a culminating celebration of the students' hard work and growth throughout the academic year. Beyond being a glamorous affair, the Prom provides a platform for students to socialise and create lasting memories that contribute to their personal and social development.

In a similar manner to previous years students are expected to meet certain criteria to attend, this includes both behaviour and attendance. This year we have aimed to make the process more visible for students to aid their understanding. As such:

- Each student has an electronic Prom Passport
- A star is awarded to every student that attends a full week at school
- 7 stars are required during this half-term up until Christmas to continue to be eligible for Prom
- A yellow and red 'card' system has also been introduced as visual reminder for student who need to improve their attendance
  - Students with medical evidence for absence will not receive yellow/red cards.
- Bonus star days will allow students who have not achieved the benchmark to earn additional stars

I am sure you will agree that attendance is even more critical than ever before, especially as the Year 11 rehearsals exams begin in earnest on the 27th November 2023. Thank you in advance for your support in this matter.

Yours sincerely

Mr M Stones
Head of Year 11
