Dear Parent/Carer

Re: End of Year-Round Up and Returning in September

As we near the end of the summer break, I write to thank you for your continued support over this academic year.

It is a pleasure to see, as commented on by Ofsted at the start of the Summer term, that relationships in and around the school are strong and the sense of community continues to grow and it is a real pleasure to witness. The students have been phenomenal, and their dedication and their positive attitudes does not go unrecognised. I would like to thank you all on behalf of myself and the staff for all you do as parents and carers. Your unstinting support allows us to achieve more and to do better things for the students in our care.
