Events

An opportunity to view the Academy and meet the staff - the event is Open to Year 5 and 6 students, please use the following link to book your slot for the event- Trinity Academy Year 5 and 6 Open Evening

Please keep checking the Transition page of our website LINK

Safeguarding message: We would like to bring to your attention a recent rise in confiscations of items that students have been purchasing from the TikTok Shop and other online platforms. While these items are generally harmless, their presence in school can be disruptive and requires additional time from both students and staff to ensure the safety of all.
We kindly ask that you remain vigilant and check any items your child may be ordering online to help prevent unnecessary complications during the school day. Our priority is to maintain a focused and safe learning environment for all students, and your cooperation in this matter is greatly appreciated.
Thank you for your understanding and continued support.

We now have new stock of our recommended calculator on ParentPay. Our staff are most familiar with these, and they are the best to help students prepare for their mathematics exams as these provide the most features to help.
For students in year 7-11, the name of this calculator on ParentPay is NEW Casio FX83GT-CW Scientific Calculator. For students in A-Level mathematics the name on ParentPay is NEW Casio SOLAR FX85GT-CW ClassWizz Scientifc Calculator
