Trinity Academy Weekly Update – 27 September 2024

We have had a wonderful time at our 'Charlie and the Chocolate Factory' themed attendance pop-up event! Celebrating all our students in our 96-100% Club!

We look forward to celebrating with more of our students at the next event!

Mobile phones: never used, seen or heard.
Our behaviour policy is very clear – students at Trinity may keep possession of their mobile phone during the day only on the strict condition that they are never used, seen or heard – with consequences for breaching this. Students are aware that their phone will be confiscated and understand that this begins from the moment they enter the gates in the morning, to when they leave the school site at the end of the day. We believe this helps to create an environment that is calm, safe and free from distraction.

Work with us-

Trinity Academy require examinations invigilators to be responsible for the smooth and effective conduct of examinations. This is a great opportunity for someone who is interested in supporting students through their exams and is looking for flexible hours on a casual basis.
