Dear Parents/Carers,

Invitation to Progress Review Day

At Trinity Academy, we value the partnership between home and school, as we believe it plays a vital role in your child's success. Acting upon feedback from parents/ carers at last year's Parent Consultation Evening, we have decided to modify the way in which we invite parents into the Academy to meet with teaching staff.

We are delighted to invite you to our upcoming Progress Review Day; taking place on Monday 6th January. This day provides an excellent opportunity for you to meet with your child's subject teachers and discuss their progress, achievements, and areas for development.

Appointments will be available, both online and in person at the Academy between 10:00am and 6:00pm; increasing the availability of appointments for parents/ carers who are working throughout the day.

You can book appointments using**:** https://trinitydoncaster.schoolcloud.co.uk/. The booking system will go live from 3:00pm Tuesday 26th November.

Most of you will have used SchoolCloud before but please refer to our website if you need more information: https://www.trinity-academy.org.uk/Parents/Parents-Evenings/

As a school, we are well aware of the impact that parental involvement can have upon the qualifications that each child will leave Trinity Academy. The benefits of regular communication between parents/ carers and school include:

Personalised Updates: Gaining detailed insights into your child's academic performance, behavior, and social development.

Collaborative Planning: Working together with teachers to set goals and strategies that will support your child's learning journey.

Celebrating Achievements: To recognize and celebrate your child's successes and milestones.

Addressing Concerns: Having the chance to discuss any questions or concerns about your child's education in a one-on-one setting.

Strengthen Communication: Building a stronger connection with the school staff and deepen your understanding of the curriculum and classroom expectations.
