Dear Parent/Carer

RE: Year 11 English and Maths Target Group & Parental Meeting

I hope this letter finds you well. I am writing to inform you that your child has been identified as part of our initial Target Group for Maths and English. As you may be aware, the performance in Maths and English is used as a benchmark for progress and attainment in Year 11, particularly with regard to the number of students achieving at least a grade 5, including English and Maths. This benchmark is also highly desirable to many Post-16 providers and employers when selecting candidates.

After the first set of rehearsal exams in November, your child has been identified as either working at or working towards the English and Maths 5+ combined benchmark in either English, Maths, or both subjects. As such, we are putting together a package of interventions to support your child to make accelerated progress between the start of January and the end of the next rehearsal exams, which will take place either side of February Half Term. The Target Group will be reviewed in March, with additional interventions being launched at that point.

-To provide further information and to support your child's progress, we would like to invite you and your child into the school on **Thursday, 16 January, 2025 at 6 PM**. The evening will include:

-An overview of the GCSE course content for English Language, English Literature, and Mathematics, and the expectations of each course

-Detailed information about our package of interventions for GCSE English and Maths and how these are designed to help your child make rapid and increased progress

-Up-to-date feedback about your child's progress in English and Maths

-Guidance on how you can support your child to make more progress outside of the classroom.

The evening will commence with a presentation in the Lecture Theatre, followed by an invitation to stay behind to discuss how you can best support your child's accelerated progress with key members of the Maths and English teams. This includes the opportunity to access the study materials that we have on offer to support your child in terms of their independent learning and revision.

At the end of the meeting, we will be gifting your child with a personalised study and revision pack to help them prepare for their next set of exams, scheduled to begin the week commencing Monday, 10 February, 2025.

If you would like more details about this event, please do not hesitate to get in touch with me.
As an English and Maths team, we very much look forward to welcoming you to the academy in January!

Yours faithfully

J Richmond
