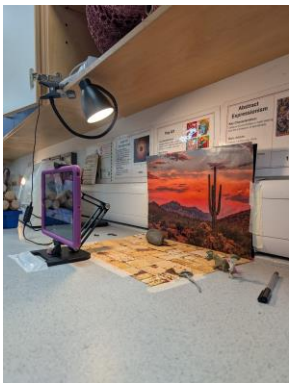
Trinity Academy Weekly Update – 17 January 2025

Stop Motion Workshop

Animation Nation came into Trinity Academy on the 8th January, 2025. The workshop gave the students an excellent opportunity to work as a team to devise an idea and produce a storyboard for a film.



They made models/characters and props using modelling clay, they produced an animated film which was around 30-40 seconds long, and completed it with titles, credits, and music. During the workshop, the students embarked on an exhilarating journey, they immersed themselves in the comprehensive process of stop motion animation production. At the end of the workshop the students successfully created their very own animated film.

All the students who took part in the workshop requested that Animation Nation return next year! It was a fantastic day, and it gave the students a great opportunity to understand how stop motion productions are created.

Progress Review Day
Many thanks to all parents who engaged with our progress review day on Monday 6th January. We are keen to gather feedback on how best to arrange time for parents to meet with teachers moving forward and would appreciate you taking the time to complete the following brief feedback survey. It should take no longer than one minute to complete.
