Dear Parent/Carer

Re: Year 11 Update

I am writing to share how delighted we are with the performance of our Year 11 students in their recent English and Maths examinations. It is truly heartening to see their hard work and dedication paying off, with most students showing remarkable progress since the November rehearsals, many increasing their grades by two levels. This is a fantastic achievement, and it reflects not only their efforts but also the invaluable support and encouragement provided by you at home.

We are now halfway through the rehearsal phase, with our second week of rehearsals taking place after the half-term break. This will provide further opportunities for students to build confidence, refine their skills, and ensure they are fully prepared for their final examinations in 42 school days!

To support their revision, we have invested in several online learning resources, which are now available to all Year 11 students. These tools are designed to enhance independent study and reinforce key concepts in preparation for the exams. We encourage all students to take full advantage of these resources. Information is provided as below in the table with links to the platform:

I would also like to remind you that the deadline for purchasing school hoodies is Friday 03 March 2025, and unfortunately, no orders can be accepted after this date. Hoodies can be purchased through EAS School wear via the *Uniform* section on our school website. The process is quick and straightforward. They are available in a choice of four colours and are priced at £25.00 each.
