OPPORTUNITIES

The Pitch 2025 is a competition where you could win work experience with JD, a £150 JD voucher as well as having your advert placed on a billboard in Manchester city centre. There's also a £5000 pot for the winners' school or college! Oh, and the finals are at TikTok HQ! You can read the brief here. Deadline Thursday 5th June.

If the competition isn't for you but you would like to learn more about careers at JD, this Virtual Work Experience programme is bursting with engaging content designed to introduce you to the various business areas of JD, plus pathways into a career with us!

Jane Street is an international financial firm with offices in London. They host a programme for students in their final year of school (Year 13) to gain experience in their office, meeting traders and learn about the transition from STEM study to careers in the financial sector. Jane Street will cover all travel expenses, as well as housing and meals. No knowledge of finance is required, only an interest in seeing what a career at the company might look like. Register here, contact for questions is work@janestreet.com and the application deadline is 15th June.

OpenAI, the creators of ChatGPT, have released a range of AI training courses. If you want to learn more about Prompt Engineering or how to use ChatGPT for Data Analysis, you can find out more about the training here.

This website will prove insightful for anyone interested in a career in the arts. With information on everything from UI UX design and Interior design to Automotive and Golf Course design, it is fascinating to explore all the possibilities available to those wanting to apply their artistic skills.
