Dear students, parents and carers,

I hope this letter finds you all well. I am writing to you to share plans for AS/A Level and GCSE results days, which take place on Thursday 14th August and Thursday 21st August respectively.

For students collecting AS/A Level results, they can arrive from 08:30 on 14th August, making their way through main reception to the sports hall. Once they have collected their results envelope, they will be directed to a member of staff where they will discuss their onward destination.

For students collecting GCSE results, they can arrive from 09:00 on 21st August, making their way through main reception to the sports half. Once they have collected their results, they will be directed to a member of staff where they can discuss their onward destination, or enrol at Trinity Academy Sixth Form.

Staff will be around to support throughout the morning.

If you are unable to collect your results, please email mwalmsley@trinityacademy.org.uk for further advice.

Have a great summer!

Kind regards,

Miss L. Gillatt

Head of Sixth Form
