OPPORTUNITIES

Each year, 20 June marks World Refugee Day, the international day to honour people who have been forced to flee.

Together, we can champion their right to seek safety, build support for their economic and social inclusion, and advocate for solutions to help them tackle challenges.

If you're wondering what careers you could consider that work with and support refugees, have a look at this charity job board. They have everything from Translators to Support Workers to Legal Advisors to CEOs!

The charity sector aren't the only industry with their own job board. Here are some others you may wish to check out. *Remember, these are live jobs that are available now so we aren't suggesting you apply to them, but just read them to see what the different job roles are responsible for, how much money they could earn, where they're based etc.*

- Hitmarker - Gaming and eSports
- CodingJobBoard - Coding and Programming
- MedicalJobsUK - Healthcare and Clinical Roles
- Totally Legal - Law
- eTeach - Teaching and Education

On Friday 20th June, Speakers for Schools are hosting a talk in partnership with Into Film called "Think Differently, Film Differently". It aims to celebrate Inclusion and Neurodiversity in the Screen Industries. From storytelling to on-set experiences, the session will explore how the screen industries are evolving to embrace different ways of thinking, working, and creating. Whether you're curious about careers in the screen sector or passionate about representation, this is a must-attend event!
