UNIFORM GUIDE

EAS SCHOOLWEAR

UNIFORM **OVERVIEW:**

The Emmanuel Schools Foundation is committed to supporting its school communities by providing a uniform that is affordable, durable, practical, and of high quality, in line with government legislation on branding and cost.

School uniform provides students with a sense of identity, reduces bullying, and promotes equality, unity, and school pride. It establishes a strong identity within the community and helps build an excellent reputation for both our school and its students.

Wearing a professional and business-like uniform in a smart and tidy way helps to ensure students do not feel excluded from a particular group and helps prevent a feeling of being inferior to others because of fashion statements or perceived wealth. Students and parents are asked to respect these principles, keeping their preference for a particular fashion for evenings, weekends and holidays.

There are also many sound, practical reasons for having a uniform. The most obvious is that it removes the burden of having to decide what to wear each day. Wearing the correct daywear and PE uniform also ensures that students are dressed ready to engage safely in all aspects of the curriculum. Parents and carers are responsible for ensuring that students have the correct uniform made available to them. Students have a responsibility to ensure that their uniform is always worn smartly and in line with the school's uniform policy. This includes when travelling to and from school.

Uniform is checked each day when students arrive. If a student is asked to amend an element of their uniform, e.g., if a shirt has become untucked, the expectation is that it is amended immediately. If a student does not have the correct uniform, they will be supported to correct this. They might be loaned a replacement item, or a call made home to drop the missing item in. If it is not correctable, or they refuse support to correct their uniform, they may be required to work in the reflection room until the issue is rectified. Parents will be notified as a matter of routine.

All items of school clothing, including bags, should be clearly labelled with the student's name. This means that lost items can be easily identified and returned to their owner. The school maintains a collection of good quality spare uniform items to loan to students who have forgotten an item. We encourage donations of good quality second hand items of uniform and coats when students outgrow theirs or when they leave school at the end of Year 11, so that others can benefit from these.
