Dear parents and carers

Educational Visit to: Hornsea Beach **Date: Friday 18th September 2026**

We are delighted to offer your child the opportunity to take part in this year's **Great British Beach Clean** at **Hornsea** on **Friday 18th September**.

At Trinity Academy, we are passionate about developing young people who are not only academically successful but also compassionate, responsible citizens who make a positive contribution to their communities. This visit provides students with a wonderful opportunity to participate in an act of service and civic engagement, putting our academy values into action by giving back to the wider community.

The Great British Beach Clean is a nationwide environmental campaign that brings thousands of volunteers together to remove litter from Britain's coastline. As well as helping to protect local wildlife and marine habitats, the event raises awareness of the impact of litter and plastic pollution, encouraging everyone to take greater responsibility for caring for our environment. By taking part, students will develop a stronger understanding of environmental responsibility, civic duty and stewardship, recognising that even small acts of service can make a significant difference.

As a thank you for the incredible fundraising efforts of our students and families throughout the last academic year, this trip has been fully funded. We are delighted to be able to use these funds to provide students with an opportunity to give something back while enjoying a rewarding day together.

Consent for this trip is included within the ESF trips and visits consent form which you should have completed and returned, or granted via the app. Therefore, we do not require written parental consent from you as most off-site activities offered by the Academy are part of the Academy's curriculum and usually take place during the normal academy day. If you are aware that you have not completed the ESF trips and visits consent form then please can you do so by 6th September 2026.

Please be aware, that we have a maximum of 14 places available for this trip. Places are allocated on a first come, first served basis. Should your child not secure a place on the visit, their details will be held on a waiting list.

We are looking forward to an excellent visit. Please do not hesitate to contact me if you have any questions.

Yours faithfully

Mrs J Richmond

Behaviour and Attendance
In addition to behaviour, the regular school attendance of our students is taken very seriously, so please note that students' attendance and behaviour records will be taken into consideration when places are allocated on this visit. Your child's place may be withdrawn at any point should serious behaviour issues occur or if they do not attend school regularly.

Safeguarding, Health and Safety
As part of our duty of care while students are participating in this day trip, the Trip Leader and authorised members of staff act *in loco parentis* (in the place of a parent). Where there are reasonable grounds to suspect that a student is in possession of a prohibited item that may present a risk to Health & Safety or Safeguarding, the Trip Leader or an authorised member of staff may conduct a proportionate search of the student's belongings. Any search will be carried out respectfully, with the student's welfare and dignity as the primary consideration, and, wherever possible, in the presence of another member of staff. Wherever practicable, the Trip Leader will inform the student's parent/carer before any search is undertaken. If prior contact is not possible due to the urgency of the situation or poor reception, the parent/carer will be informed as soon as reasonably practicable afterwards.

Allocation of places
Places are allocated on a first come, first served basis, based on when the date and time the electronic booking form is completed. Should your child not secure a place on the visit, you will have the option for your child to be added to the waiting list.
