Dear Parents and Carers

Re: End of Year

As we come to the end of another academic year, I would like to thank you for your continued support and partnership throughout the year. It has been another busy, successful and rewarding year, and I am incredibly proud of everything our pupils have achieved.

This year has been filled with memorable experiences and opportunities for our children. Pupils have taken part in a wide range of educational visits, sporting competitions, enrichment activities, performances and themed curriculum days, all of which have broadened their learning beyond the classroom. We have celebrated many individual and collective successes, from improvements in attendance and behaviour to outstanding achievements in reading, mathematics, sport and the arts. We have continued to strengthen our curriculum to ensure that every pupil receives a high-quality education while developing confidence, resilience and independence. Reading has remained a key priority across the academy, alongside opportunities for pupils to develop their wider talents through music, sport, leadership and enrichment activities - most recently raising funds for the Bradley Lowery Foundation and opening our new, state of the art 4G football pitch.

This year has also seen further improvements to the support and provision we offer our pupils, alongside our continued focus on raising expectations for behaviour, attendance and achievement. Thank you for the important role you have played in reinforcing these expectations at home. Your support really does make a significant difference to the success of our pupils and the wider academy community.

I would also like to express my sincere thanks to our dedicated staff, who continue to go above and beyond every day to provide the very best opportunities and experiences for our children.
Although we are approaching the summer break, there is still much to look forward to during our final week. Year 10 pupils will complete their English-speaking GCSE endorsement assessments, while a number of educational visits and enrichment activities will also take place. Year 7 Parents' Evening will be held on Tuesday 14 July, and lessons will continue as normal until Friday.
On the final day, pupils will spend Period 3 with their tutor groups for the much-anticipated final trial and announcement of the winners of the Trinity Hunger Games before we dismiss for the summer holidays at 12.15pm.

A reminder that our A-Level Results Day will take place on Thursday 13 August, followed by GCSE Results Day on Thursday 20 August. We look forward to welcoming students back into the Academy to collect their results and celebrate everything they have achieved. Staff will be available

throughout the morning to offer advice, guidance and support as students take the next steps in their journey.

As we approach the summer holiday, I encourage all families to remain vigilant near open water, as rivers, lakes, reservoirs and canals can present hidden dangers. As always, please ensure children are closely supervised and understand the importance of staying safe around open water.

Looking Ahead to September, we are already looking forward to welcoming everyone back for another exciting academic year. Our focus will continue to be on delivering high-quality teaching, promoting excellent attendance, maintaining high standards of behaviour and providing enriching opportunities that enable every child to flourish.

Please note the following key information for the start of the new academic year:

- All pupils return to the Academy on Monday 07 September. There will be no staggered start, and all pupils are expected to arrive by 8.25am.
- Please ensure your child attends each day in full Academy uniform and arrives punctually.
- Pupils should bring all essential equipment, including their PE kit. For PE lessons, students will require a pair of football boots with moulded blades or rubber studs, as well as a pair of outdoor trainers suitable for use on the Academy's 3G all-weather surface.
- We encourage all families to continue supporting excellent attendance, as every day in school makes a positive difference to children's learning, wellbeing and future success.

As we reflect on another successful year, we are excited about the opportunities that lie ahead and look forward to building on this year's achievements together.
Thank you once again for your continued support. I wish all of our pupils and their families a safe, restful and enjoyable summer break, and I look forward to welcoming everyone back in September.

Yours sincerely

Mrs V Gibson
Principal
