OPPORTUNITIES

Black History Month 2026 in the UK takes place throughout October with the official theme "Honouring our Communities." Celebrating Black History Month means shining a light on achievements, recognising contributions, challenging inequality, inspiring future generations, and promoting greater understanding, inclusion and representation.

On 7th October, join Sanctuary Foundation for a special Great Big Live Assembly to celebrate Black History Month - a fast-paced, fun, and inspiring 10-minute event designed especially for secondary school children across the UK! The event will feature inspiring Black role models and guest contributors and a spotlight on this year's Black History Month theme: "Honouring Our Communities". This year's focus highlights the everyday, often unseen contributions of Black individuals who shape, support, and sustain British society. It recognises people such as volunteers, teachers, NHS nurses, carers, and community leaders who hold communities together. The assembly will be streamed live on YouTube. Can't make it live? No problem! Sign up and they'll send you a link to watch on catch-up.

This iCAN Pulse webinar, taking place on 26th October at 5pm, will bring together Black leaders from across the UK and US insurance markets to share their career journeys, the people and communities that have shaped them, and the responsibility leaders have to support those coming behind them.

ICAEW features a series of videos showcasing some of their most inspirational black members. They share their experiences and insights on issues such as leadership, skills and intersectionality in the profession. The videos are from a range of presenters, including senior professionals such as Ololade Adesanya, a Director at EY.

BHM Heroes is a broader collection covering people from sport, medicine, the military, arts and other professions. Profiles include Orthopaedic Surgeon Dr Samantha Tross, F1 Racer Lewis Hamilton, and Footballer Marcus Rashford.

OuterCircle is an apprenticeship organisation helping young people access and succeed in apprenticeships. They arrange events, have current apprentices who act as mentors and an online community to help you succeed. Many of their members are from ethnically diverse backgrounds and can share their real, recent experiences of applying to (and securing!) apprenticeship opportunities.

JOB OF THE WEEK

Social Worker

They are a trained care professional who helps individuals, families, and communities cope with difficult life challenges, improve their well-being, and protect vulnerable people from harm.

Social Workers usually work for local councils and sit within an adult or childrens team, depending on who they support. In England, they must be registered with Social Work England to legally work in the role.

LABOUR MARKET INFORMATION FACT

A disproportionately high percentage of Black African and Black Caribbean workers are employed as nurses, healthcare assistants, and social workers. For example, public sector statistics show that children's social care and NHS non-medical bands feature some of the highest representations of Black staff across public services.
