Dear Members of the Wider Thorne King Edward Community,

Subject: Consultation on Proposal to Convert to Academy Status

We are writing to inform you that the Thorne King Edward Primary School Governing Board are considering converting to academy status and joining Venn Academy Trust, subject to the outcome of a formal consultation process.

The purpose of this consultation is to seek the views of all stakeholders, including parents, carers, staff, pupils, and members of the local community, before any final decision is made.

Academy conversion would mean that the school becomes part of an academy trust while continuing to provide high-quality education for our children and young people. We believe that joining Venn Academy Trust could offer a range of benefits, including:

- Enhanced educational opportunities for our pupils
- Access to additional resources and expertise leading to greater support for teachers and pupils
- Improved provision for our SEND pupils
- Reduced school dinner costs
- Greater collaboration with other schools within the trust
- Strengthened professional development for our staff

We recognise that this is an important decision and welcome your views. During the formal consultation period, members of the wider community will have the opportunity to submit questions, comments, and feedback. Following informal consultations with parents/carers, we would like to assure the community that:

- The school's name, uniform and maximum class sizes will remain unchanged
- Our school values and ethos will continue to be at the heart of everything we do
- All current staff would transfer to the new academy with their existing terms and conditions protected
- The high standards of education we provide will be maintained and enhanced

The consultation will run from Wednesday 4th November to Wednesday 16th December. Community response can be submitted via email to consultation@thornekingedward.co.uk

Following the consultation period, the Governing Board will carefully consider all responses received before making a final decision.

We are committed to ensuring that the process is open, transparent, and inclusive, and we encourage all stakeholders to participate and share their views.

Thank you for taking the time to consider this important proposal.

Yours faithfully,

Lynne Bowers & Maggie Underwood
Co-Chairs of Governors
Thorne King Edward Primary School
